PRESS RELEASE

DATE: April 9, 2009

RELEASE DATE: Immediate

Mifflintown, PA. - DuMor, Inc., located in the Juniata County Industrial Park, is pleased to announce that the company will be featured in an upcoming episode of PCN Tours airing on the Pennsylvania Cable Network (PCN) channel on Sunday, April 26th at 8:00 p.m. DuMor is an industry leader in the manufacture of quality site furnishings and is celebrating its 25th anniversary this year.

PCN Tours is a show highlighting the companies and organizations, from manufacturers to museums, located exclusively in Pennsylvania. Each show takes the viewer on a personal tour of the facility and is led by a representative of the company, allowing the viewer to experience television unscripted. "DuMor, Inc. is very excited to be featured on an upcoming episode of PCN Tours." says Todd Saner, Treasurer and principle of DuMor, who narrates the tour. He adds, "This broadcast will showcase our products and manufacturing process as well as feature our employees' skills and pride they take in the product."
