PRESS RELEASE

DATE: September 14, 2009

RELEASE DATE: Immediate

Mifflintown, PA. – DuMor, Inc., a central Pennsylvania manufacturer of site furnishings, is proud to announce the premiere of a new feature of their highly successful memorial plaque program. The *Fallen Heroes* program is DuMor’s way to honor all those who have given their lives in service of this country and their communities. DuMor, Inc. will donate a standard memorial plaque with the purchase of a DuMor bench. This beautiful and durable zinc plaque can be engraved with words of your choice to honor and memorialize any serviceman, policeman, fireman, or first responder who has died in the line of duty.

“We here at DuMor recognize the courage and sacrifice shown by the men and women who choose to serve this country and their neighbors by placing themselves in harm’s way every day and giving their lives for the common good.” says Don Saner, president of DuMor, Inc. He adds, “As a company and because we have some employees who are or have been involved in this type of service, we wanted to find a way to show our gratitude and appreciation for the people who have died in the line of duty. The donation of a plaque for a bench meant to memorialize these fallen heroes is our small way to do this.”

The *Fallen Heroes* program is a national one and information on the program is available on the DuMor website, [.dumor.com](http://dumor.com), or by contacting your local DuMor representative.
